APPENDIX.

Nativity Certificate.

I

Certified that X, a candidate for admission into the Medical College, Madras / Stanley Medical College, Madras / Medical College, Vizagapatam / Engineering College, Guindy / Arthur Hope College of Technology, Coimbatore son / daughter of Y, resided in the district of A for a total period of ten years immediately preceding the 1st of January last, exclusive of the periods spent in any other district or districts by the candidate for his / her studies or with his / her parent while the latter was employed in Government service, and consequently that X is a native of the district of A within the meaning of the G.O. No. 2786, P.H., dated the 26th October 1945.

Here enter details of residence of the candidate. If any period is to be excluded, the reason for the exclusion should be clearly specified.

II

Certified that Y, the parent of X, a candidate for admission into the Medical College, Madras / Stanley Medical College, Madras / Medical College, Vizagapatam / Engineering College, Guindy / Arthur Hope College of Technology, Coimbatore; resided in the district of A for a total period of ten years immediately preceding the 1st of January last, exclusive of the periods spent by the said Y in Government service in any other district or districts, and consequently that X is a native of the district of A within the meaning of G.O. No. 2786, P.H., dated the 26th October 1945.

Here enter details of residence of the parent. If any period is to be excluded, the reason for the exclusion should be specified.

Place * Signature

Date Rank

* This certificate should be signed by an officer of the Revenue department not below the rank of a Tahsildar and should bear the stamp of the office of the officer signing the certificate.

NOTE.—The scheme approved in G.O. No. 2786, P.H., dated 26th October 1945, applies only to British subjects. The idea of exclusion of periods spent by the parents in Government service or by the candidate over his studies is to make nativity relate really to the district to which the candidate actually belongs by birth, parentage, possession of ancestral property, etc., and not to make it dependent on the accident of Government service or of sojourn for educational purposes. The idea is not to let nativity be acquired in any district elsewhere to which a Government Officer might go during his service. The test is applied with reference to the candidate and he is entitled to exclude both the periods spent by him in studies elsewhere and by his parents in Government service elsewhere if he was with them all along. For instance, if a student belongs

[18th December 1947

to a family in Tanjore, spends his boyhood with a parent who is in Government service in various places elsewhere and then goes to Madras or elsewhere for his studies he should be put down as a native of Tanjore where his father would have spent, presumably, more than ten years before he entered Government service. If a candidate belongs to more than one district by this test, he can elect any one of the districts for purposes of the certificate.

Whichever of the two forms, I and II, is appropriate to the particular case should be used.

(By order of His Excellency the Governor)

M. V. SUBRAMANIAN,
Secretary to Government.

G.O. Ms. No. 2113, P.H., dated 17th June 1947.

[Education—Medical and Engineering Colleges—Admission of Naturalised British subjects—Orders passed.]

Order—Ms. No. 2113, *P. H., dated* 17*th June* 1947.

The Government have considered the question of admitting Naturalised British subjects to the Medical and Engineering Colleges in the Presidency and proceed to pass the following orders :—

(*a*) Applications from Naturalised British subjects who applied for naturalisation certificates through the Madras Government will alone be considered.

(*b*) A total period of ten years' residence in the Province should be insisted on in the case of these candidates, without requiring residence in any one district.

(*c*) The above period of ten years may be inclusive of the period of five years' residence required under section 3 (1) (*c*) of the Indian Naturalisation Act, 1926, if such residence was in the Madras Presidency.

(*d*) The district in which the candidate or his parents resided at the time of applying for admission to the College, may be taken as the district to which the candidate belongs, for purposes of the rule of linguistic representation laid down in G.O. No. 1358, P.H., dated 16th June 1943.

(*e*) Candidates need not be required to produce nativity certificates but should be required to furnish proof in support of (*a*) to (*d*). The certificate in this behalf should be signed by a Magistrate or by a gazetted officer.

2. The Surgeon-General/Director of Public Instruction is requested to dispose of the application of Sri V. Gopalakrishna Ayyar for admission to the Medical College/Engineering College, with reference to the orders in paragraph 1 above.
